## CORSETS

Effective July 1, 1919

It has become imperative to advance prices of Nemo Corsets in accordance with the following Price List, because of the constant increase in the cost of materials and labor.

Adhering to our established policy never to deteriorate the high standard of Nemo quality, and at the same time to keep them within reach of the popular demand, we have tried to adjust prices accordingly.

By comparison, you will find that the intrinsic value represented in Nemo Corsets is far above that of any other make, while the invaluable Hygienic-Style-Service, for which they have become famous, is still given entirely free of charge.
